

## **Mastery Portfolio**

- ☐ Presentation Portfolio must include **6 pieces** of different types of evidence (artifacts)
  - ☐ Select Pre- and Post- evidence that demonstrates a valid comparison
    - ☐ Must select current comprehensive exam data, including error analysis & action plan that illustrates prioritization of concept categories (1)
      - ☐ Need previous assessments (unit/semester tests, quick-checks, goal problems) to highlight “pre-“ data
  - ☐ Other artifact choices (3 from 4 choices):
    - ☐ Mixed Practice
    - ☐ Teaching a peer (teach recording)
    - ☐ Think aloud through a Non-Routine problem/task (ACE-M recording)
    - ☐ Defense of Learning (one page Defense or one page Summary or Self-Test questions, all include reasoning)
  - ☐ Connections (1): Concept map required
  - ☐ Growth in problem solving (1): Select one piece of evidence that illustrates growth in problem solving and indicates current problem solving expertise (flexible thinking)
- ☐ Conclude with how your current action plan will always drive your learning forward and deeper
- ☐ Organize the evidence to tell a convincing and connected story of learning for mastery that can be followed by an interviewer
